

A nighttime photograph of the La Cantera Resort courtyard. In the background is a large, multi-story building with a stone base and arched windows, some of which are illuminated from within. The courtyard in the foreground features a central water feature with a series of cascading steps and small fountains. The area is landscaped with trees, shrubs, and outdoor seating areas, including lounge chairs and fire pits. The overall atmosphere is warm and inviting, with soft lighting from the building and the courtyard features.
